Dear Renzo Carlo Santiago,

I am delighted to express my interest in the internship opportunity at Cloudstaff as advertised on Indeed. As a BSIT student majoring in Website Development at Holy Angel University, with a keen interest in IT with a strong academic background on website development and proficient in computer hardware. I am eager about the possibility of contributing to your team and gain valuable knowledge and experience.

Throughout my academic career, I have built a good foundation in a variety of computer languages, including Java, Python and SQL. alongside with hands-on experience on website development such as HTML, CSS, Javascript, Vuejs, etc. and database management. Additionally, I have completed several projects which includes pet-shop.com and My Sweet Spot that demonstrate my ability to apply my skills to real-world challenges. My academic work allowed me to develop my skills, analyze complex problems, develop innovative solutions, and collaborate effectively with teams.

I am drawn to Cloudstaff's reputation for innovation and commitment to leveraging technology to success. I am eager to contribute my skills and passion for continuous learning to support Cloudstaff's mission and objectives. Furthermore, I am eager to work with experienced professionals and gain insights into the latest trend that shapes the IT Industry.

I am confident that my technical skills combine with my passion for IT, make me a suitable candidate for this internship. My resume includes detailed information on my academic achievements, skills, and certifications that shows my relevant knowledge. I would welcome the opportunity to further discuss how my background, skills, and goals align with Cloudstaff's.

Thank you for your time and consideration. I have attached my resume for your review, and I'm available for an interview at your earliest convenience.
